About the Role

This hybrid position combines key customer-facing roles: Cashier, Juice Bar Operator. You'll be the friendly face at checkout and the hands behind our fresh juices, smoothies, and prepared foods, as well as stock juice bar and provide support to our juice bar team. You'll work directly with our customers, help maintain a clean, stocked store, and produce wholesome food that represents the heart of Barrels & Bins.

What We're Looking For

- Friendly, positive attitude with excellent communication skills.
 - Dependable and punctual with strong attention to detail.
 - Able to multitask in a high-paced environment.
 - Comfortable standing, moving, and lifting throughout your shift.
 - Prior grocery, food service, or café experience preferred but not required.
 - Commitment to health, safety, and cleanliness standards.
-

Key Responsibilities

Cashier Duties

- Greet customers warmly and process transactions accurately and efficiently.
- Keep shelves and displays fully stocked, rotated, and beautifully organized.
- Check product dates, mark down or remove expired items.
- Maintain a clean, safe checkout and store environment.
- Support curbside pickup and home delivery orders.
- Assist other departments, including the juice bar and produce, when needed.

Juice Bar Operator Duties

- Sanitize all surfaces and set up the juice bar each morning.
 - Prepare fresh juices, smoothies, salads, sandwiches, and specialty items.
 - Track production quantities, monitor expirations, and apply FIFO (First In, First Out).
 - Maintain inventory and restock as needed (produce, containers, condiments, etc.).
 - Lead juice bar assistants and communicate clearly with the team.
 - Ensure full clean-down of the juice bar and workspace by shift end.
-

Perks & Benefits

- Employee discounts on groceries and prepared foods.
 - IRA Match after 90 days.
 - Accident Policy (Aflac) after 90 days.
 - Supportive, community-minded work environment.
 - Opportunities to learn about natural and organic products.
-
